**Description:** 

Instead of fighting against the competition, SMN2 actually uses the power of the largest and most powerful.

Social Media Networks in the world and puts them to work for you.

Try this Powerful New Tool to reach new clients & customers.

## Here's how it works:

# We will register your website on the 30 Top Social Media Networks totaling over 21 billion active users.

# We will add: – Websites, Business Profiles, Services or Products and your Contact Information to each media site.

# If already listed on a Social Network like Meta or Linkedin, Great! We will verify the listing for accuracy and add an additional high-ranking Social Media site to your portfolio further increasing your visibility.

# We provide you with a complete list of all passwords and usernames for your records for editing your profile and posting articles.

# Search Engine Optimization (SEO) — We create 30 reputable Power Links coming back to your site, from high-ranking Social Media sites.

NOTE: Some of the Listing sites require you to put in a password and user name to view your listings. We have provided all the passwords and user names needed in this report. All logos are LIVE Links to the Listing Sites.
