

About MacRE's

MacRAE'S BLUE BOOK is a key sourcing tool for North American industrial products and services.

America's original industrial directory since 1893, MacRAE'S is where industrial buyers go to find the exact product or service they need, when they need it.

Information on over 1,200,000 North American industrial companies with more than 2 million product listings indexed under more than 50,000 product headings.

Each month more than 200,000 visitors complete 5 million industrial searches on our site.

We deliver the online visibility and exposure you are looking for. Our focus is to deliver qualified industrial buyers to our customers through easy to use, cost-effective online marketing solutions.

MacRAE'S BLUE BOOK is owned by Owen Media Partners Inc. (OMP), a private company, headquartered in Mississauga, Ontario and is part of the Owen Media Network.

About the Owen Media Network

The Owen Media Network is one of North America's top five Business-to-Business web properties (ComScore) with almost 10 million monthly pages served to nearly 4 million unique users across its portfolio of business directory sites.

With three industrial market leaders, MacRAE'S BLUE BOOK and the Canadian Trade Index, InfoMex Mexican Industrial Directory, the MacRAE'S Owen Media Network specializes in delivering high value unique company information to industrial buyers and sellers worldwide.
